

Dyers Bay Executive Meeting  
March 14 2024 6:30 pm  
Zoom

Present: Mark Matthews, Lachlan Blair, Peter Tome, Sandy Tellier, Lyndsay Swanson, Lynne Godkin

Mark welcomed everyone and called the meeting to order at 6:34 pm

Summer Dates: The purpose of the meeting was to start to organize activities this summer and decide on some dates - the holiday weekends are as follows and all are early this year

Saturday May 18 - Ice Cream social at the clubhouse 7 pm. Ron and Lynne Godkin will organize.

Saturday June 29 - Canada Day celebrations. There will be a parade: Lynne will check with Anne Wadleigh and like last year be available with props and decorations to help organize kids and families to participate. Mark will connect with the fire department to arrange the fire engine. There will be lunch, bake sale, book sale again - hoping that the regular organizers will continue in their past capacity. The mayor will be asked to attend again and the association meeting will take place following the bar-b-q so the mayor does not have to leave and come back

Saturday August 3 - Association meeting and Potluck at the clubhouse,

August 22 Jason Hogan to organize open mic night again

August 31 Labor Day association meeting and possible kids' movie night this weekend. Lyndsay is thinking on options and possible different dates to have better weather

Notes from discussions:

-Membership fees are \$25 this year. Please pay by cash, cheque to e-transfer  
[dyersbayassoc@gmail.com](mailto:dyersbayassoc@gmail.com)

-Survey re: fireworks on July 1 or not - Mark is working on survey question and it will be emailed to DBA members who had paid memberships in 2023 as well as those who have paid for 2024. He will send the survey question to the exec first before sending out to membership. He is planning to have it completed before May long weekend. If there is a no fireworks vote we need to think outside the box and come up with a different community oriented event. Mark noted one benefit of the DBA fireworks is that ours are done safely in a controlled environment and if it is cancelled there may be lots of individuals having their own fireworks that are not done safely.

-Website needs some updating and some people cannot access it. Mark will get access for Peter early next week and Peter will look at needed updates.

-DBA library - there has been a suggestion to rename it in memory of Ron and Rita Baker

Meeting Adjourned at 6:55 pm
